

GOD STILL HAS A PLAN

Proverbs 29:18

Where there is no vision, the people perish:

Jeremiah 29:11

For I know the thoughts that I think toward you, saith the Lord , thoughts of peace, and not of evil, to give you an expected end.

We cannot allow one disappointment or even a series of disappointments to convince us that our dreams are over. This is the time to dig in our heels and hold on to the promises of God in our heart.

The time is now to stir up those God-given dreams and watch Him pour out His favor and blessing upon you and fulfill every desire in your heart!

Today's scripture reminds us that without vision, people perish. If you don't have a dream or vision for your life, then you're not really going to reach your fullest potential.

Maybe at one time you had a dream, but you went through some disappointments or setbacks. Things didn't turn out the way you planned.

But here's a key: when one dream dies, dream another dream. Just because it didn't work out the way you had it planned doesn't mean that God doesn't have another plan. Here at Church Of The Chimes I know God has a plan for our future. We must let go and let God guide us to that future.

If we trust God and lean not on our own understanding , He will take us and give us the vision He has for His church.
He will lead us to our future.
He will lead us to perfect peace.
