

## Unprecedented Favor

Ephesians 1:18-19

[18] The eyes of your understanding being enlightened; that ye may know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints, [19] And what is the exceeding greatness of his power to us-ward who believe, according to the working of his mighty power,

Every one of us can say that, in our lives, God has been good to us. We've all seen God's favor at work. He has protected us, promoted us and opened doors for us. That's God's favor. But I believe that in the coming days, God wants to show you unprecedented favor—that's favor like you haven't seen before.

In today's verse, Paul said that in the "ages to come," we would see "the immeasurable, unlimited, surpassing greatness of God's favor." What's interesting is that Paul wrote this passage ages ago. I believe that we are now living in the "ages to come" that Paul was talking about. I believe you and I are going to see this unprecedented favor!

The word "unprecedented" means "unmatched, unparalleled, for the first time." In other words, you may have seen God's favor in the past, but you need to get ready. You haven't seen anything yet. What God has in your future is going to be bigger, better, greater—unprecedented! He is going to show you His goodness in ways you've never seen before. Keep standing, keep praying, keep putting Him first and watch His unprecedented favor come on every area of your life!

As we move into the Advent season and light the first candle of Hope. Remember to keep Hope alive.
